

**Student Ministry**  
**Fall 2020**

**Sunday Night**  
**Guidelines**

## ENCOURAGEMENT

*Some of these guidelines are inconvenient and you (and the student ministry team) may disagree with them; however, we encourage you to honor Christ, the decisions of His leadership in the Church (our elders), and the decisions of those He has placed within the government as well. Many brothers and sisters all over the world endure much more challenging conditions in order to corporately gather together. Let's all grow in patience and love together as we gather safely to worship God, edify one another, and prepare to engage the world with the Gospel!*
